

Brywood Elementary School

4th Grade Supply List - APAAS (2022-23)

The following items are not required, but are helpful supplies you may wish to have for your child as the year begins. We have shared tables versus individual desks - therefore there is no need (or room) for pencil boxes.

★ One 1-inch ONLY three-ring binder (with pocket)

OR accordion-style folder

- ★ One set 5-tabbed *plastic* dividers - NO POCKETS
- ★ Stickies (aka Post its)
- ★ One 12+ count colored pencils and pencil bag or small box
- ★ One ultra-fine Sharpie
- ★ One set earbuds (in zippy bag or other container)
- ★ One box tissue

Leave distractions (mini pencil sharpeners, staplers, etc.) AT HOME.
Simple backpacks are best for students this age - avoid the Zuca-styled ones.

Class Donation

Each student will receive the following this year: Homework Planner; various activities throughout year, crafts, and replenishment of shared classroom supplies*. A donation of \$20.00 will help offset replenishment of classroom materials and supplies. However, please note that no one will be denied access or use of supplies due to financial constraints - we share here!

Shared supplies include: scissors, rulers, glue, markers, highlighters, paper, etc. for your child to use in the classroom. There is no need to purchase any of these.

A receipt for tax purposes will be provided at your request.
